Written notice of any change which hereafter may be adopted in the collection procedures shall be mailed to the Employer and to the Union not less than thirty (30) days prior to the effective date thereof.

(H) Auditing. The Employer agrees that upon reasonable request therefore and during regular working hours, each of said Boards of Trustees by an independent certified public accountant firm shall be entitled to audit the books and records of the Employer as may be necessary to determine that all fringe benefit contributions have been and are being properly reported and paid to each of the Trust Funds in accordance with its adopted collection procedures. The Employer shall permit examination of all state and federal employment tax reports, payroll ledgers, time cards and other records which may be necessary to determine the number of hours worked by the Employer's employees covered under this Agreement. If the audit discloses no delinquencies in reporting and payment of fringe benefit contributions, the cost of such audit shall be borne by the Trust Funds; otherwise all or a part of the audit cost may be assessed against the Employer.

(I) The Employer and the Union hereby agree that there shall be exempted and excluded from the provisions of Article 11, Disputes, of this Agreement, the following: All disputes related to the timely filing of fringe benefit reports, the payment or collection of fringe benefit contributions and/or other payments, the interpretation and application of the terms and provisions of all above described fringe benefit Agreements and Declarations of Trust, and all fringe benefit plans, rules, regulations, eligibility standards and collection procedures as now are in force and effect and as hereafter may be duly adopted by said respective Trust Funds.

(J) If any of said Boards of Trustees, acting directly or acting through its authorized representatives, makes a determination that the Employer is delinquent in timely furnishing

reports in proper form, to include the furnishing of a proper bond, or in timely making payments of contributions or in failing to comply fully with any of the provisions of the applicable Agreement and Declaration of Trust or with any rules, regulations and collection procedures of such Trust Fund, then, in addition to the foregoing provisions of the Article, the Union thereafter may refuse to furnish any employees to such delinquent Employer and/or may direct employees covered under this Agreement and who are employed by such delinquent Employer to cease working and/or may impose economic or other legal sanctions against such delinquent Employer, and any such action by the Union shall not be in violation of the no-strike or no-work-stoppage provision set forth in Article 12, paragraph (C) of this Agreement; provided, however, any employees so withdrawn or refusing at the Union's direction to perform any work as herein provided shall not be entitled to claim or receive any wages or other compensation for any period during which they have been so withdrawn or refused to perform any work.

(K) Regarding Colorado Laborers' Health and Welfare Trust Fund only, the following subparagraphs are agreed upon by the Employer and the Union:

1. During the life of the within Agreement there shall be no HMO coverage afforded to employees covered under this Agreement. For purposes of this paragraph (L), "HMO" coverage shall mean health care provided through one (1) or more qualified health maintenance organizations meeting the requirements of the Health Maintenance Organization Act of 1973, any amendments thereto and regulations promulgated thereunder.

2. Notwithstanding the provisions of subparagraph 1 immediately preceding, upon mutual agreement of the Employer and Union at any time, subparagraph 1 of this paragraph (L) may be reopened for the purpose of working out a clause or provision to provide HMO coverage. No such clause or provision shall result in any Employer paying more than the sum per hour designated in paragraph (F) of this Article for all health and welfare coverage afforded to employees covered in this Agreement whether payments be made to the above Health Benefit Trust Fund and/or to a health maintenance organization through the above Health Benefit Fund.

(L) Vacation Fund.

1. Heretofore, on May 3, 1978, there was established by Agreement and Declaration of Trust, a Vacation Fund known as Colorado Laborers' Vacation Fund. The purpose of said Fund is to provide vacation benefits for Laborers as therein provided and who are or may become employed in any of the classifications of work covered by this Agreement. The Vacation Fund, pursuant to the terms of said Agreement and Declaration of Trust, is administered by a Board of Trustees composed of an equal number of Contractor representatives and Union representatives. By said Agreement and Declaration of Trust, the Board of Trustees is authorized to adopt applicable rules, regulations and eligibility standards for the purpose of providing and maintaining said Vacation program. The Agreement and Declaration of Trust further reserves the right of the Board of Trustees at any time to further amend the aforesaid rules, regulations and eligibility standards.

2. In order that the Employer's employees covered by this Agreement may participate in the benefits of said Trust, each Employer signatory to this Agreement performing work covered by this Agreement shall pay into such Trust Fund the sum per hour hereinafter designated in Schedule "A" of this Agreement on a straight time basis for each straight time hour worked and for each overtime hour worked by each employee covered by this Agreement.

3. Throughout the effective term of this Agreement, each Employer signatory to this Agreement agrees to be bound by and to fully comply with all terms and provisions of the aforesaid Trust Agreement and the aforesaid rules and regulations and eligibility standards adopted by said Board of Trustees, together with any and all amendments, changes or additions thereto which at any time may be adopted.

ARTICLE 21 WORK RECOVERY PROGRAM

(A) The Employer shall designate a representative to administer this Article. The parties understand that the Union official representative for the administration of this Article, in his sole discretion, is the Business Manager of the Local for the job location unless the Employer has received such Business Manager's written designation of some other Union official, which individual, in his sole discretion, has authority to administer this Article.

(B) The Employer may, upon request to the business manager, receive mutually agreed adjustment in the economic terms of this Agreement, on a single construction project, if warranted, for the purpose of preserving and enhancing employment opportunities for bargaining unit personnel. In other words, such relief is warranted in order to secure such project when preservation and enhancement of employment opportunities for bargaining unit personnel can be demonstrated.

(C) ADDITIONAL RELIEF. The Employer and the Union agree to the following restrictions and limitations regarding requests for and the granting of "additional relief" under this Article:

1. Any request for additional relief for a bid project must be submitted in writing to the Union at least seven (7) calendar days prior to the bid date;

2. If additional relief is granted to any Employer signatory to the Building Construction Agreement for any project, then the Union will notify the Employers within twenty-four (24) hours after such relief is granted and all Employers will be granted the identical additional relief for such projects. The Union will only notify Employers signatory to this Agreement that additional relief has been granted.

3. This provision shall not be utilized by the Employer for the purpose of renegotiating this Agreement generally, shall not be abused by the Employer and shall only be requested by the Employer when the circumstances warrant. The Union is obligated to abide by the spirit and letter of this provision.

4. This Article shall not be utilized by this or any other Employer in the administration of Article 25, Equal Treatment.

**ARTICLE 22
FRINGE BENEFIT BOND**

(A) Each Employer signatory to or bound by this Agreement shall furnish a Laborers Fringe Benefit Payment Bond in such form as may be approved by the currently designated Administrator of the Laborers Fringe Benefit Trust Funds or a letter of credit or such other and similar security (hereinafter referred to as "other suitable security") in the face amounts as follows:

Number of Employees	Face Amounts
1 to 5 employees	\$5,000.00
6 to 10 employees	\$10,000.00
11 to 25 employees	\$25,000.00
26 to 100 employees	\$50,000.00
Over 100 employees	\$100,000.00

(1) If and when the Employer employs more employees than present bond coverage for a period in excess of ten (10) days, the Employer will then furnish the additional amount of bond required.

(B) Said Bonds (or other suitable security) shall be in favor of the designated Administrator (or whomsoever the Board of Trustees shall designate) of all the aforesaid Fringe Benefit Trust Funds as referred to in this Agreement, namely, Colorado Laborers' and Contractors' Education and Training Trust Fund, the Health and Welfare Fund, the Pension Fund and the Vacation Fund.

(C) Should an Employer be unable to comply with the bonding requirements set forth in this Article prior to the commencement of work covered by this Agreement, then such Employer shall make a cash deposit with the Administrator of the Trust Funds set forth herein in the amount equal to the fringe benefit contributions which would become due under the Agreement for eighty (80) hours of covered employment performed by each of the Employer's employees, but in no event shall the initial deposit be less than \$500.00.

1. Commencing with the first Friday following the initial cash deposit by the Employer, the Employer shall make an additional cash deposit with the Administrator during the business hours (8:00 a.m. to 5:00 p.m.) each Friday thereafter. Each such additional deposit shall be equal to the amount of fringe benefit contributions which would become due for the following week if each person performing covered employment for the Employer during the week then ending were to perform 40 hours of covered employment in the ensuing week.

2. All deposits made hereunder shall be held by the Administrator for the benefit of the Trust Funds named in this Agreement, to the extent of the Employer's obligation to

said Trust Funds for contributions and other payments required under the Agreement, and shall be automatically applied by said Administrator to said obligation; provided that all amounts over and above the sums due to the said Trust Funds under the Agreement shall be returned to the Employer. The return of such monies to the Employer will be made only at such time as the Trustees of said Trust Funds have assured themselves, by audit or such other method as they, in their sole discretion determine to be prudent, of the accuracy of the amounts reported and paid by the Employer.

(D) If an Employer is not in compliance with the fringe benefit bond requirements of this Article, then the aforementioned Trust Funds, notwithstanding any other clause contained herein, and notwithstanding any language contained in any Agreement and Declaration of Trust, may refuse to consider any hours reported by such delinquent Employer on behalf of his employees for purposes of determining the eligibility of such employees for benefits or participation in any program provided by any of such Trust Funds unless and until the Employer is in compliance with all fringe benefit bond requirements contained in this Article. If an Employer does not furnish the required bond or other suitable security or provide the alternative cash deposit pursuant to sub-paragraph (C) of this Article within thirty (30) days after the date of execution of the Agreement, the Union will not refer any employees to the Employer and the Trustees shall take reasonable action to identify and notify the affected employees of the Employer's delinquency and/or failure to provide the required bond or other suitable security or alternative cash deposit.

ARTICLE 23 ADMINISTRATIVE DUES CHECK-OFF

(A) The Employer shall, for the duration of this Collective Bargaining Agreement, deduct weekly from the wages of each employee covered by this Agreement for all work performed within the jurisdictional area, Union membership dues (hereinafter called "Administrative Dues"), in the amount per hour for each hour worked as provided in Schedule "A".

(B) As to each employee covered by this Article, on or before the twentieth (20th) day of each month, the Employer shall pay over to the Fund Administrator the aggregate of such deductions for each full payroll period ending during the preceding calendar month.

(C) The Union hereby represents and warrants to the Employer that at all times during the effective term of this Agreement, the Union shall obtain and provide to the Employer, from each employee covered by this Article, voluntary written authorization which directs the Employer to deduct from the wages of each such employee the aforesaid Administrative Dues payments.

(D) The Union hereby represents and warrants to the Employer that its Administrative Dues are and during the effective period of this Agreement will continue to be "membership dues" within the meaning of Section 302(c)(4) of the National Labor Relations Act.

**ARTICLE 24
GOVERNMENT WORK**

It is agreed that on all Davis-Bacon projects or other government work involving a predetermined wage, the Employer will be in full compliance with this Agreement if such Employer pays an amount equal to the total package of wages and fringe benefits set forth in the predetermined wage determination. Both parties agree that in order to comply with such predetermined wage determination, the wages specified in this Agreement shall be adjusted on such projects so as to maintain the Health and Welfare contributions as set forth in Schedule "A" of this Agreement. The Employer will notify the Union of all such work.

**ARTICLE 25
HEAVY AND HIGHWAY ENGINEERING AGREEMENT**

The Employer and the Union hereby agree that if the Employer desires to engage in highway construction work and/or heavy engineering construction work within the State of Colorado, upon written notice to the Union, the Employer shall be entitled immediately to execute with the Laborers International Union of North America Local 720, AFL-CIO, the current labor agreement relating to such work.

To the extent any Employer signatory to this Agreement performs any of the types of work specifically covered by the different agreements with the specialty subcontractor, then said Employer may exercise its option to adopt said different terms and conditions, however, said different terms and conditions will only be applicable to the type of work covered by the specialty subcontractor's agreement.

(C) This Article shall not apply to any project agreement where: (1) the Union notifies the Employer that a project agreement has been reached; and (2) the project agreement is made available, prior to bid or award for use on the project, and to only signatory contractors.

(D) It is understood that the Union may negotiate different base rates of pay and/or fringe benefit contributions for certain counties, known as depressed areas, outside the area commonly known as the Denver metropolitan area. If more favorable base rates of pay and/or fringe benefit contributions are negotiated for certain counties then, in that event, in those certain counties, and only in those counties, this Agreement will be deemed to be modified to include the different base rate of pay and/or fringe benefits.

ARTICLE 27 SAVINGS CLAUSE

Should any part of or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation, or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof; provided, however, upon such invalidation the parties signatory hereto agree to immediately meet to renegotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE 28 ENTIRE AGREEMENT

(A) The Union and the Employer agree that this Agreement contains all of the agreements and understandings between the Employer and the Union and is intended to cover all matters affecting wages, hours and other terms and all conditions of employment.
