RE: Allocation of Contributions

In order to assist our San Diego County employers in maintaining their workforce in a wage competitive environment, it is necessary to allocate the \$0.40 per hour health & welfare increases to wage for Journeyman and Apprentices. The following chart represents the changes to Journeyman:

	Wage	H&W	Increase
Through 9/30/17	\$28.84	\$8.05	
Effective 10/1/17	\$30.24	\$8.45	
Effective 1/1/18	\$30.64	\$8.05	\$0.40 to Wage from H&W
Effective 10/1/18	\$33.39	\$8.05	\$0.40 to Wage from H&W
